The Tennessee Department of Revenue has issued a tax-exemption number for the educational, religious, historical, or charitable non-profit organization or institution named above. State law (Tenn. Code Ann. § 67-6-322) gives the Department the authority to allow this organization to make tax-exempt purchases of goods and services that it will use, consume or give away. This authorization for exemption does not extend to sales tax that the organization must collect or pay on its regular sales of goods or taxable services.

This authorization for exemption is limited to sales made directly to the above named organization. This certificate may not be used for sales made to individuals paying with personal checks or personal debit or credit cards, even if the individual is a representative or employee of the above named organization, and he or she will be reimbursed for the purchase. Sellers must refuse to accept the certificate when the sale is made to someone other than the above named organization.

The organization must furnish its suppliers of goods and services with a copy of this certificate. The lower portion of the certificate must be properly completed. The organization must retain the original certificate for copy purposes. The supplier will maintain a file copy as evidence of the exempt sale to the organization. Later purchases made before the expiration date do not require the submission of additional copies.

The organization must notify the Department immediately if it ceases to exist or if its location or mailing address changes.
